

Amgen Alumni Networking Event

Come join us at the Amgen Alumni Networking Event where you can meet local area former Amgen employees turned successful entrepreneurs, among others.

If you are thinking about starting up your own business or if you are unsure as to what you want to do with all the time you have, come network with us and let those ideas flow.

Working with The BioTech Forum, PQC strongly believes in bringing together the individuals and experience which will make our region compelling to biotech and pharmaceutical entrepreneurs in establishing a new hub for startup ventures.

Together we can bring forth our area's strong scientific and technical expertise to come up with innovative solutions in tough economic times.

Please feel free to bring your promotional items and ideas. Light dinner, wine selections and soft drinks will be provided.
